ARTICLE IV: BOARD OF DIRECTORS

Section 1. *Number and Composition*

Faculty, administration and staff, and student representatives on the Board shall be appointed to the Board directly by the University President. The Board shall consist of individuals holding the following titles either permanently or provisionally:

- (D) *Service of the University President on the Board* - If the University President chooses not to serve as a director, he or she shall have the right to name a designee to serve in his or her role as director, and such designee shall have regular and continuing access to the University President and shall keep the Board fully apprised of all relevant policies, decisions, and deliberations of the University administration.

Section 2. *Term of Office*

- (A) The term for the Board of Directors, except for ex-officio directors and the director who is a member of the student body, shall be three (3) years, and a director shall serve no more than two consecutive terms absent a majority vote of the directors to extend a director's term for exemplary service to the Foundation.

- (C) The term for the director who is a member of the student body shall be for one year.
- (D) The terms of directors shall run from July 1 of the year of appointment and end on June 30 of the following third year. The director who is a member of the student body shall be elected each year to serve from July 1 through June 30 of the following year.
- (E) At the first appointment of directors, or in the first appointment of any directors added as a result of an amendment to these bylaws, or by increase by the Board in the number of directors, the Board shall attempt to establish terms of office such that the membership of the Board shall be divided into approximately equally sized classes of one-, two-, and three-year terms, in order that subsequent periods shall select approximately one-third of the Board membership.
- (F) In the event of any increase or decrease in the authorized number of directors, each director then serving as such shall nevertheless continue as a director of the class of which he/she is a member until the expiration of his/her current term, or his/her prior death, retirement, resignation or removal. - (B) A vacancy in the position of elected director may be filled by a majority of the remaining directors, though less than a quorum, or by a sole remaining director, except that a vacancy created by the removal of a director by the vote or written consent of the directors of the Foundation or by court order may be filled only by the vote of a majority of the directors entitled to vote represented at a duly held meeting at which a quorum is present, or by the written consent of a majority of the required quorum of directors. Each director so elected shall hold office until the next annual meeting of the Board of Directors and until a successor has been elected and qualified.
- (C) If the University President declines to serve on the Board of Directors, or fails to indicate that he/she will serve, or otherwise fails to appoint a designee, said position shall remain vacant until the University President serves or designates someone to serve.

documents of every kind and the physical properties of the Foundation for a purpose reasonably stated and related to such person's interest as a director, provided that a director shall not have the right to inspect those books, records or documents made privileged or confidential by law. Section 6. *Standard of Conduct*

- (A) A director shall perform his/her duties as director, including duties as a member of any committee of the Board of Directors, in good faith, in a manner such director believes to be in the best interests of the Foundation, and with such care, including reasonable inquiry, as an ordinarily prudent person in a like position would use under similar circumstances.
- (B) No member of the Board of Directors shall be financially interested in any contract or other transaction entered into by the Board of Directors that is not in accordance with the conflict of interest provisions set forth in Education Code Sections 89906-89909.

Director Emeriti may serve on general committees of the board, as requested by the Chair, with approval by the Executive Committee. This includes, but not limited to committees focused on development, finance or directors.

ARTICLE VI: MEETINGS

Section 1. *Annual Meeting*

An annual meeting of the Board of Directors shall be held in June of each year prior to the regular meeting of the Board of Directors. Such meeting shall be for the purpose of the election or reelection of directors whose terms of office have expired, electing or reelecting officers of the corporation and for the transaction of such other business as may come before the meeting. All such directors and officers shall assume their offices at the beginning of the next fiscal year.

Section 2. *Regular Meetings*

- (A) All meetings of the Board of Directors shall be held at the principal office of the corporation or at such other place as may be designated by the Board. Regular meetings shall be held at least three times a year upon notice in accordance with Section 5 of this Article VI.
- (B) An agenda listing the matters to be considered at each meeting shall be included in the notice for the meeting.
- (C) The Board or committee shall not take action at any regular meeting on any issue until that issue has been posted publicly on a bulletin board in the Foundation's business offices or other appropriate location at least one week prior to the action, as required by California Education Code Section 89924.

Section 3. *Special Meetings*

A special meeting may be called at any time by the Chair of the Board of Directors, the President, or by a majority of the voting directors then in office, to be held at such date, time and place as shall be designated in the notice of meeting. The call and notice of a special meeting shall be delivered at least 24 hours prior to any meeting and shall specify the date, time and place of the special meeting and the business to be transacted. No other business may be considered at a special meeting.

Section 4. *Open Meetings*

All meetings of the Board shall be open and public, and all persons shall be permitted to attend any meeting of the Board, provided, however, that the Board may hold closed sessions during any meeting to consider those matters that may lawfully be considered in such session under Section 89923 of the California Education Code.

Section 5. *Notice*

- (A) Notice of the date, time and place of any meeting of the Board of Directors other than special meetings shall be given at least seven (7) days previous thereto delivered personally or sent by mail or facsimile or electronically to each director at his or her address, facsimile number, or email address as shown in the records of the corporation. If mailed, such notice shall be deemed to be delivered the next day during which regular mail deliveries are made after the day such notice is deposited in the United States Postal Service in a sealed envelope so addressed, with postage thereon prepaid. If notice were given by facsimile or email, such notice shall be deemed delivered when the facsimile or email is transmitted.
- (B) The business to be transacted at any regular meeting of the Board shall be specified in the notice of such meeting. The attendance of a director at any meeting shall constitute a waiver of notice of such meeting, except where a director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened. Each member of the Board of Directors shall, in writing, file with the Secretary of the Foundation an address to which all notices shall be directed, and the same shall be valid for all notices required by these bylaws until such time as said member shall, in writing, give notice of a new address which shall then become the address to which all notices shall be directed.
- (C) Notice of a meeting of the Board also shall be given to any persons entitled thereto pursuant to Section 89921 of the California Education Code.
- (D) Whenever any notice is required to be given, a waiver in writing signed by the persons entitled to such notice, whether dated before or after the time stated herein, to the extent permitted by law, shall be deemed equivalent to the giving of such notice.

Section 6. *Quorum*

A simple majority of the number of directors shall constitute a quorum for the transaction of business, except to adjourn as provided in Section 7 of this Article VI. Every act or decision made by a vote of a majority of the directors present at a meeting at which a quorum is present shall be the act of the Board of Directors. A meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of a director or directors, if any action taken is approved by at least a majority of the required quorum for that meeting.

Each member of the Board of Directors shall have one vote except as specified in these bylaws. There shall be no proxy voting permitted for the transaction of any of the business of the Foundation.

Section 7. *Adjourned Meetings*

A quorum of directors or, in the absence of a quorum, a majority of the directors present at any Board of Directors' meeting may adjourn the meeting to meet again at a stated date, time and place. Section 8. *Meetings by Electronic Transmission or Electronic Video Screen Communication*

Any meeting may be held, in whole or in part, by electronic transmission by and to the Board of Directors or by electronic video screen communication (e.g., web camera or video phone) as long as all directors have an opportunity to participate in the meeting and to vote on matters submitted, including an opportunity to read or hear the proceedings of the meeting substantially concurrently with those proceedings. All such directors shall be deemed to be present in person at such a meeting. If any director votes or takes other action at the meeting by means of electronic transmission or electronic video screen communication, then a record of that vote or action shall be maintained.

Section 9. *Minutes of Meetings*

Written minutes of all meetings of the Board of Directors and its committees shall be kept. The Board of Directors may adopt its own rules of procedure insofar as such rules are not inconsistent with, or in conflict with, these bylaws, the Articles of Incorporation, or law.
